

Product Discontinuation of the UMG 96PA-MID+

Dear Sir or Madam,

We would like to inform you about an upcoming change in our product portfolio that affects the UMG 96PA-MID+.

As part of our ongoing portfolio development, the **UMG 96PA-MID+** is being discontinued. With this step, we are consistently aligning our portfolio with long-term availability, technological advancement, and future-proof system solutions.

Product Discontinuation Timeline - Please note the following key dates:

Last order: 31 August 2027

Last delivery: 30 November 2027

End of standard support: 30 November 2028

After the standard support period expires, Janitza will no longer provide regular technical support, firmware updates, or repairs for the affected device. Warranty obligations for devices delivered prior to this date will, of course, be fulfilled in accordance with the terms of the contract. New software features and non-security-critical bug fixes will no longer be released after this date.

Impact and transition guidance

Janitza helps you find suitable alternative solutions tailored to your specific application, system architecture, and technical requirements.

Our sales staff and solution partners are available to answer technical questions or advise you on alternative devices. Your representative will also keep you informed of any possible changes to the planned launch date.

Kind regards,

ppa. Thomas Hilbig
Vice President Product Management
